“ *Bitsy, my most sincere sympathy goes out to you at this terrible time. I tried to reach you after Harold died, but couldn't find an address. I have sold my house in Wenatchee and moved to Montana in October of 2013. Love it here, so peaceful and quiet. I am much budier now than ever and enjoy the many friends we had found here. Hope all will be good with you and your family one day soon. Deepest sympathy and condolences to you all.*

“ Dear Ann and family,
I was very saddened to read of Bob's passing. He was such a presence in your life and always a great light. Bob always so sweet to myself and sisters and made me feel like a part of the family! I can even now remember the way he always greeted me..... such a man!!
I send all my thoughts and prayers to you during this time. I guess I always thought he and Ann would be around forever, but God doesn't plan for that. I am sure God is enjoying having him in Heaven and will cherish my memories of Bob and the whole family always!
Please know I send all my heart and love to you all!! God bless all of you!!
