“ I met Bob the burner in the 70s racing motorcycle. In the 80s we spent hundreds of hours training for multiple iron man races. In the 80 and 90s Bob and I did countless diving jobs in the Columbia and Lake Chelan. Other than my wife, I've spent more time with Mr Derry than anyone else in my entire life. I sure remember the many happy hours with Bob and Colleen. He was my best friend ever!
