

Robert Moyer

August 15, 1950 - October 29, 2023

Robert “Bob” Steven Moyer, 73 of East Wenatchee, Washington, passed away suddenly on Sunday, October 29, 2023, at his home. He was born on August 15th, 1950 in Culver City, CA.

In his younger years, Bob embodied the wayfarer’s spirit wandering around the country exploring whatever and wherever he felt like. As a Desert Drifter he was a rolling stone on his Moto Guzzi. He never thought twice about pulling off for a night on the side of the road, which is where his spirit felt most at ease. Bob’s family spanned far and wide. His travels would inevitably lead to your doorstep with a broad smile and a big hug for a greeting.

Eventually, Bob settled into the trades becoming a master carpenter. As talented as they come, Bob could build anything starting with nothing more than a mental plan. His homes were in both Omak and Wenatchee, where his heartfelt endeavor for construction was not only for his own enjoyment. His soul mission was creating a welcoming home for his loved ones. After many years in the trades, Bob joined the Chelan County PUD team as a Construction Inspector, where he would spend his career until retirement.

Bob was a man of many hobbies. He loved spending time camping, fishing, taking his dogs for a walk, and spending time in his garden. You wouldn’t catch this man sitting around much unless it was in front of his firepit; or on his porch with a cup of coffee in one hand, a western novel in the other, and his

dog laying by his side watching for squirrels. Those who knew Bob understood that his joy has always been riding his motorcycles and fixing them up, along with Volkswagens and anything else that needed it. In his beloved shop he had everything he needed and the know-how to do it. He would travel far and wide just to help someone out - or if they needed something built.

Bob treasured many things, but most importantly he treasured his tribe. Even as a drifter, Bob's presence would always make you feel at home - no matter where he was. An original that will be deeply missed and be remembered fondly.

Preceding him in death are his father Kenneth Moyer and mother Elma (Townsley) Gay, sister Jeanette (Moyer) Stone and brother Richard Moyer.

He is survived by his two sons, Jesse Moyer and Riley Moyer. his grandson River Moyer, and step-children Chris Moyer (Big Chris), Chris Ewer, Jamari Rodriguez and Sierra Evans. He is also survived by his sisters, Janice Moyer (Arizona), Lucille Moyer (Oregon), and Shirley Moyer Trotter (Oregon), two brothers Ed Waldo (Idaho) and Kameron Devin (Washington), thirteen nieces and nephews, and the many more who have been with him throughout the ages.

His family meant the world to him and he was treasured by his family. We will miss him, his happy smiling face, his wise eyes. Forever in our hearts.

Arrangements by Chapel of the Valley, East Wenatchee.

“ Ever since we first met you have not only been a close friend but more like a brother. Words can't express the heartache knowing you have left this world. Loved and missed by many! Thank you Brother Bob for always being there for me.

“ Bob was a wonderful neighbor and is sorely missed. He was helpful and knowledgeable about a vast variety of things and always worked hard. He would always stop by to talk or even dance with the kids when he'd go on his walks. He was always interested in our lives, how the kids were doing in their activities and school, how the dog was, work, etc. He was always there if you needed him, no matter who you were. He got to know all of my family, even if they just popped in town for a short visit. He greeted everyone with a smile. His house was our family fire safety point, not just because he was a safe distance, but because he was an anchor of security and the heart of our neighborhood. His presence, spirit, and laughter are missed more than he would have imagined. We still look for him to walk down the street or to waive at the corner. The neighborhood will never be the same. ❤️

“ Uncle Bob was the reason I fell in love with motorcycles and I still think of him almost every time I get on a bike. So grateful for the massive influence he made on me at a very young age.
