“ In 1969 I belonged to a weight loss program named Tops. I was the only male member and won teen prince and was flown to Houston, Texas to attend a convention. That's where I met Roberta. I believe she was there with her Mother. We exchanged information and began writing letters to each other and in 1970 I flew to Walla Walla to meet her family. I was all of 18 and she would have been a very young 14. I still have the letters that she wrote to me and a school picture she sent me. We lost contact and I have wondered how she was doing and now am so heart broken to learn of her passing. Please relay my deepest sympathy and condolences to her family. Please ask if they could please contact me. Most Sincerely, Dave Rockwell. 775-276-1965.
