“ Dear Family,

My eldest sister Romilda has fallen asleep in death only to awake "in the twinkling of an eye lash" in Paradise. She has won the right, she paid the price. Her life was full and she enjoyed every day. She was kind and good to me, and I will long miss her loving way.

I wish her children the Peace that transcends all understanding and prayers to consoles their broken hearts. She was quite a woman and a wonderful "big" sister. All the love to her family from ours. Gods speed Romilda, see you in the New System! Ruth
