“ Ruby was Sandy's mom - and my mom when I needed another one. She was so strong, funny and will be missed terribly by all who knew her. Cindy and Bud, it's been a long time and I'm sorry I just found out about this - my deepest condolences. Now I don't know who to visit if I ever return to East Wenatchee. I hope Sandy and Ruby have each other again in Heaven. My love to all.

“ Ruby was my ex-boss' mom who is a veterinarian and she always made scrub shirts for her daughter and the staff. She made beautiful shirts. She always picked out cute patterns and did creative stitching on them each time. My ex-boss is an only child, so I send my condolences to her. I too, am an only child and have lost my mom and I know how hard it is. My heart goes out to her and her family.

“ I didn't know Ruby that well but worked in her orchard a short time. She was a faithful friend to a friend of ours for many years. I've never seen a harder worker than Ruby. She was a good mother to her girls and friend to many. She will be missed.

“*Ruby was a part of my life since I was a little girl. I considered her my 'other mom,' especially after my own mother (and one of her long-time friends) passed away. I'll miss her so very much. My condolences to Bud, Cindy, and Ruby's entire family.*
