

Ryan Grae Luebber

December 19, 1979 - April 28, 2016

Ryan passed from this Earth into the arms of Jesus on Thursday, April 28, 2016

after a lifelong battle with diabetes. On December 19, 1979, Ryan was born in Wenatchee. He spent his life living in Washington and California. He was always ready for his next adventure. Family was his first love. He was a jack of all trades. Even though his disease made working difficult, he always had a job of some sort, helping to support his family. He loved his children to the moon and back. Ryan loved new adventures; he played ball in little league and

football in junior high, traveling to new places, hanging out with his buddies and family, horseback riding, hunting, fishing, driving anything with a motor that would take him to and be part of his next adventure. Especially motorcycles. He rode motor cross, taking a ribbon in his first race. He and his motorcycles had many fast and furious adventures, along with his buddies. The day that Ryan accepted Jesus as his Savior and was baptized were two highlights of his life.

Ryan is survived by his extended family: close friend; Christina Hursh, parents; Cindy and Bill Mello, and Renn and Donna Luebber, his children; Schuyler and Faith Luebber, his sisters and brother; Kellie Potter, Bonnie Luebber, Alyson Mello, Justin and Aimie Smith, nephew and nieces; Jessica and

Chelsie Potter and Glenn Ling.

Donations in Ryan's name can be made to the Royal Rangers of Wenatchee First Assembly of God or the American Diabetes Foundation.

A Memorial Service will be held Wednesday, May 4, 2016 at 10:00 a.m. at Wenatchee First Assembly of God, 1520 McKittrick St., Wenatchee, with Chaplain Scott Langager and Pastor Randy Springs officiating. Arrangements are by Telford's Chapel of the Valley, East Wenatchee.
