

Scottie Lee Van Dyke

January 26, 1953 - August 11, 2018

Scottie Lee Van Dyke, age 65, went to be with the Lord on August 11, 2018, due to complications of ALS (Lou Gehrig's disease). He was born on January 26, 1953, in Grand Junction, CO, and moved with his family to Kennewick, WA, at age ten. He graduated from Kennewick High School in 1971, and later moved to Wenatchee, WA. He was a hard-working person from the age of nine, when he would sweep up at the shop where his dad worked. His work ethic continued until he was forced to retire due to his illness. He loved fast cars, boats, and his Shelby Mustang was one of his favorites. He was a talented mechanic who built his own motors for the race boat he owned when he was young, and enjoyed tuning the engine and keeping it in good racing condition. He worked in construction as a heavy equipment operator, and mechanic in later years, and he loved what he did. To him, the job was play and he enjoyed seeing his hard work reflected in the roads and structures he helped to create.

He was a loving husband to his wife of 36 years, Carrie; and devoted father to his four children: daughter, Cara (Dan) of Idaho, son, Clinton (Shannon) of Colorado, son, Kyle (Nicole) of Florida, and daughter, Toni (Joey) of East Wenatchee, WA. He loved all his seven grandchildren: Collin, Jayden, Duncan, Lucas, Chloe, Joseph, and one grandson on the way, Logan. His father, Walter, and sisters, Sherrie and Wendy, who were always in his thoughts, reside in the Wenatchee area. His mother, Agatha; sister, Rhonda;

and grandparents, Walter and Dottie, preceded him in death. He will be greatly missed.

Our family would like to thank the caring hospice nurses, Bethlehem Construction for their generosity during this difficult time, the medical staff of Confluence Health of Wenatchee, and Dr. Richard Beukema.

No services are planned at this time. Arrangements are by Chapel of the Valley, Wenatchee, WA.
