“ Auntie Sharon, I have the best memories of you smiling and laughing every time I saw you. You are such a loving soul who made everyone always feel at home. I loved your hugs and your honesty. You never minced words, you were such a strong person, I admire and love you. Thank you for blessing my life with your love. I talk to you quite often and drink a lot of wine too! LOL. I will see you again. All my love, Carin.
