“ I am sad to hear of Shelly's passing. She was such a wonderful person, very caring with a fun sense of humor. I worked with Shelly years ago at Wenatchee Valley Clinic and there was a time when we would go walking together before work for exercise. I got to know her much better during our walks and talks. She touched many lives in a positive way and she left this world a little better for being here. God Bless you in your grief. Sincerely, Sandy Koinzan
