“ I will always remember Stacie by her quirky little giggle. We might not have been close these last few years but the years that we were i will cherish forever. My kids called her aunt stacie. One memory of her is when we put together my daughters barbie powerwheels and stacie pepsi in hand had to “test drive” before my daughter got in it. We loved cranking up the music and singing as loud as we could whenever we could.... Making dinner, cleaning, road trips, or just because. I will miss you dearly stacie. My condolences to pat and the rest of her family. Im truly sorry for your loss.
