“ A piece of my heart is gone but our memories I'll take to the grave. I'm thankful for all of them, the the good and the bad. You helped me grow into a better person and taught me to persevere no matter the circumstance. You were my best friend Steph at times my only friend. Even though your gone you will always be in my heart. Our life was FullaMayhem but brother rest in peace cause there's no tears in heaven only golden streets. I'll miss you forever with every breath I take and every heart beat. Look down on us from time to time and help to see us through. Until we meet again brother I will think of you. Love always you brother

“ *Brenda and family, I am so so sorry, I can't imagine the pain you are all going through. I feel blessed to have met Stephon, he was a character and free spirit. He always had a smile and always made me laugh. May he be in Peace.*

“ *It has been a long time since I have seen Stephon. It's sad that I never will again. I did see the infectious smile, the compassion, and the intelligence. And, that's what I remember. Sorry Brenda (and family).*
