“ My name is Frank Turner - AKA pockets. The name pockets was given to me at Sky Meadows a Church Camp of the Assemblies of God in the Yakima Valley. I was standing in line to get a hamburger made by Rev. Phinney after the evening service and prayer time. I found a pair of hands in my coat pockests that didn't belong to me. They belonged to Sundi Sue Knight. I had a sense of fear when I found out she was Joe Bob Bos's girlfriend! It saddened by to hear of her passing. Out friend Kaye (Dellinger) Zook contacted me to let me know. I don't know much about Sundi Sue's life after that summer camp. Kaye and I have talked over the years about the fun we had at camp. Sundi Sue usually entered in to our conversations. I have many happy thoughts of my youth and they include Sundi Sue
