“ I had the pleasure of working with Ted for almost 30 years at the Department of Transportation. I was so very sorry to hear about his passing. He had a wealth of knowledge, and was always available and willing to mentor and teach whenever he could. And there wasn't a music or baseball question he could not answer. I felt fortunate to know Ted, not just as a co-worker, but also as a friend. Ted will be missed for so many reasons, and my heart goes out to Janet and all of Ted's family.

“ I had the pleasure of working with Ted at WSDOT. He was a great man, mentor, manager, and co-worker. I will always remember Ted's ability to recall work related facts regardless of how much time had passed. It was truly amazing! My thoughts and prayers are with Ted's family during this difficult time.

“ My heart goes out to the Hill family, I am so sorry. You all are in my thoughts. I remember how Adam would light up whenever he talked about his day, I am so sad that he is gone, but the memories you made will last forever. Take care.
