

## Tracy Bickford

December 6, 1977 - May 22, 2023

Tracy Lynn Bickford, 45, of Washington passed away on May 22, 2023 after a long battle of health issues.

Tracy was full of life and had the biggest heart. When she loved, it was with all she had. She would defend and protect her loved ones with all her might.

Tracy has had many passions in her life, but paranormal research was her most enjoyable passion. During this time she gained many like-minded friends, whom she also loved.

Tracy's greatest accomplishment and love was her son Matthew. Matthew's favorite memory with his mother was a trip to Bisby one Mother's Day for a ghost hunting adventure. He remembers her being so excited and the joy she expressed on their trip together.

Tracy was predeceased by her mother, Kathy Leatherwood.

Tracy is survived by two brothers, John Dyer and Chris, son Matthew, daughter Shelley, three grandchildren, and multiple nieces and nephews. She is also survived by many in-laws and friends that she considered her family.

Arrangements by Chapel of the Valley, East Wenatchee.

“ So many years talking and supporting each other through thick and thin. Marriages, divorces, births and deaths, we went through it all and we always had each other’s back. You are and always will be my sista from a different mother. I love you and miss your angelic smile.

“ This is us driving through beautiful Arizona to where you lived in Sierra Vista. The little plane that brought me in to Tuscon didn't have my luggage, so we had to wait for it to arrive. We went to Dennys & sat together talking for around 2 hours 😭❤️ While I was visiting, you took me to Tombstone & we spent the day there. We had such a good time. I'm so glad I had the blessing of being able to share memories of such a beautiful place with you. Thank you for being one of my best friends for all these years. I don't know where I would be if I didn't have your support & fierce protection through some of the most difficult things I've experienced. I know you are still here with me & I talk to you every day. I miss you so very much.  
I love you, Tracy.
