

Vicky Brown

Vicky was born in Wenatchee, WA to parents, Lawrence and Sara A. Kitchen.

Vicky was a proud 1967 Wenatchee Panther. She had 40+ years in clinic & hospital administration, learning, teaching, and mentoring, (herding cats.... Doctors!) & loving every minute of it.

In her own words "All that I am, I credit to a strong faith, parents who led by example, and the truth....that "We make a living by what we get. We make a life by what we give." ...Churchill).

Vicky was a loving and giving Mother, Mother In Love, Grandmother, Great Grandmother and friend. All that knew her, knew she would give the shirt off her back to anyone in need. She was a shining light to all who knew and loved her and she left a mark on all our hearts.

“ Vicky and I worked together as Clinic Managers at EvergreenHealth. She moved and I lost track of her. Much to my surprise, in our retirement, Vicky moved in across the street from us in Manson! That was a gift that I will always cherish. What fun we had over the few years we had reconnecting and boring our friends with shared stories of our time “herding cats” and mentoring employees, both were things we loved about our careers! Only a few of us will understand this next comment...”cluck on Vicky”! We miss you 🥺

“ Vicky was a very good friend of mine. She actually was for a time my manager at Virginia Mason in Lynnwood, Wa. She was supportive and always a listening ear. I was so excited when I was moving to Chelan, that she was living in Manson. We had lunches, dinners, and just days when we would chat. She made me smile and laugh always, but especially on dark days. Her support came when I lost my husband Roger, of 50 years. I miss her. I miss her spirit. I miss my friend. I know your with Roger and that makes me happy.

*Vicky and I started our friendship at Evergreen Clinic when she became my boss and mentor in the front office. we soon discovered that she and my daughter lived a few miles apart in Duvall and after we both retired found that she and my daughter lived across the highway from each other in Manson. And my son and daughter in law lived just down the highway from Vicky at Wapato Point. So it was great to be able to connect with Vicky while visiting with my kids. Vicky was a dear , sweet, caring friend and great manager and I treasure the days we spent working together. I MISS YOU LOTS VICKY!
Save a place for me in your heavenly neighborhood, Vicky! Hugs,
Dianne*

“ Vicky and I were friends for over 55 years. We shared marriages, divorces, births and deaths and were always there for each other. We were going to go somewhere warm after the holidays and then tragedy struck. Vicky was the kindest and best friend a girl could ever hope to have. She will be missed by so many who loved her. I love and miss you Vic.
