

Virginia Wollborg

January 16, 1927 - September 14, 2024

Our amazing Mom, Virginia Wollborg, (Toody Welch) lived a beautiful long life. She passed this week after 97 years of a life full of gratitude, Love, and adventures.

To those who knew her, she lives on.

Toody is survived by her three children and their spouses and two step children and their families. Ginny Luedeman Rabun and Jerry Rabun, Cindi Valverde, John Lamont Pulsipher and Tom Ruangsakvichit, and step children Wendy Wilson and Scott Wilson and Brad Wollborg. Mom was especially close to her nieces; Carmyn Carlson Riggan, and Dianne Skagen Gillin, who brought much joy and love to Mom in her senior years.

Mom was very close to her many wonderful grandchildren, great grandchildren, and great great grandchildren. All of her grandchildren have stayed close to Mom throughout her life sharing Lake Chelan time, Christmas, and lots of hugs. Mom considered her BIG family, her greatest joy and blessing in life.

Mom traveled all over the world but Chelan and Wenatchee were the precious home where she was born and lived her childhood. She was especially proud of her dad, Jim Welch of Welch apples. He was her model and teacher in life.

Mom was so grateful to spend her last days at, "Gracious Hearts" Adult Family Home, surrounded by family, and cared for by her loving caregiver and the owner, Alisha Huereca.

There will be no service, as per Mom's wishes.

Cards and donations, in Mom's memory, may be sent to Gracious Hearts, 33 Furney St. Wenatchee, WA 98801.

Donations will help fulfill a desire to purchase patio furniture for the residence.
