“ To the family of Bill, I am so sorry for your loss. Bill was very dear to me. I tried calling him yesterday and when I got the message that the phone number had been disconnected I knew something must have happened to him. I am sorry I missed his service, and that he has been gone just over a year. I have been meaning to call him for way too long. Life gets so busy, that it is easy to have weeks, turn into months. Bill has been gone a year, and though I will always regret not being able to say good bye, I can say thank you. Thank you Bill for being such a kind hearted man. Your friendship blessed me, and you will not be forgotten. I love you. - Katharine
